

Service Bulletin SB-0004

RE: EYS Seal Protector Ring Addition

Date: 11/14/19

This Service Bulletin is to announce the addition of a seal protection ring to all EYS Classic Pumps, Flush Pump, High Pressure Pumps and Mix Pumps. By adding the protection ring it will cut down on the wear and tear on the oil seals in EYS gearbox. All current and future orders will have Seal Protector included. A884- EYS Seal Protector Ring can be ordered separately for stock as well.

The A884- EYS Seal Protector Ring is placed between the housing and the gearbox. Chamfered edge on ring needs to be facing housing as seen below.
